Material fees: Fees paid by the student (or third party) to Techie International College for course related materials for example but not limited to text books or IT resources.

Application fee: Fee paid by the student (or third party) to Techie International College for the costs of processing a student enrolment application.

Administration Fee: Fee paid by the student (or third party) to Techie International College for the costs of processing a student refund application.

Refund conditions:

Visa refused (within 45 days of commencement of course)	100% refund of Tuition fees
Student Default: withdraw from the course after fees have been paid but before commencement	100% refund of Tuition fees
Withdrawals notified in writing and received by the college on the commencement date or after the study period (term) commencement	Refund of unused Tuition fee less an administration fee of \$500**
Student breach of visa conditions, and suspension or cancellation of enrolment by the College	No refund of current study period (term) Tuition fees paid.

**** If a student withdraws and has notified Techie International College on the commencement date or after the study period (term) commences, Techie International College will issue a refund of unused Tuition fees paid to date. Refunds will be calculated as follows:**

Tuition fee per week x number of weeks unused course the student has paid for at point of withdrawal

The weekly Tuition fee for the course will be identified by calculating:

Weekly Tuition fees = (Total Tuition fee/ number of calendar days in the course) X 7, roundup to the nearest whole dollar.
E.g. = (1000/ 140) X 7 = \$ 50

The number of weeks of course that have been paid for but remain unused will be calculated as follows:

The number of unused weeks = number of calendar days that have been paid but remained unused / 7
E.g. = 90/ 7 = 12.857, rounded up to the nearest whole week = 13 weeks

Refund amount = weekly Tuition fees X unused weeks
e.g. = \$ 50 X 13 = \$ 650

- Any refunded amount will have an administration charge of \$250 deducted and any applicable transaction fees, bank charges and currency exchange fees, if they have been incurred before the day of default. Transaction fees, bank charges and currency exchange rates will be applied at the rate charged to the College.

In the unlikely event that the Techie International College is unable to deliver your course in full, you will be offered a refund of all the Tuition fees and materials you have paid to date. The refund will be paid to you within 2 weeks of the day on which the course ceased being provided.

- Alternatively, you may be offered enrolment in a suitable alternative provider at no extra cost to you. You have the right to choose whether you would prefer a full refund of Tuition and materials fees, or to accept a place with another provider. If you choose placement with another provider, you may need to sign a document to indicate that you accept the placement.

Tuition Protection Service

The Techie International College is a member of the Tuition Protection Service (TPS). This means that the fees paid to the College are safeguarded if the College defaults on delivering the courses you are enrolled in.

The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist international students whose education providers are unable to fully deliver their course of study. The TPS ensures that international students are able to either:

- complete their studies in another course or with another education provider or
- receive a refund of their unspent Tuition fees

In the unlikely event that the College is unable to deliver the course you have paid for and does not meet our obligations to either offer you an alternative course that you accept or pay you a refund of your unspent prepaid Tuition fees, the TPS will assist you in finding an alternative course or to get a refund if a suitable alternative is not found.

6. Prior to a student enrolling, fees may be altered without notice. Once a student has completed enrolment, fees will not be subject to change for the normal duration of the course. If a course length is extended by the student, then any fee increases will be required to be paid for the extended component of the course.

There is no obligation on the student or the College until the Written Agreement is signed by all parties, funds have been cleared by the Techie International College's bank and an official receipt is issued by the College.

Part F – Other Information

1. Students may initiate a request to defer commencement of studies or suspend their studies on the grounds of compassionate or compelling circumstances. Students wishing to defer the commencement of studies or suspend their studies must apply to do so in writing to the College. The College may decide to suspend or cancel a student's enrolment on its own initiative as a response to misbehavior by the student. Deferral of commencement, suspension of enrolment and cancellation of enrolment has to be reported to the Department of Immigration and Border Protection (DIBP) and may affect the status of a student visa.
2. Students must notify the College of his residential address, telephone number, email address and who to contact in emergency situation. Student must notify of any changes of these within 7 days of the change. This is required by visa condition 8533. Failure to do this may mean the student may not receive important information which may affect their course, their enrolment or their visa.
3. This written agreement, and the right to make complaints and seek appeals of decisions and actions under various processes, does not affect the rights of the student to take action under Australian consumer protection law if the Australian Consumer Law applies.
4. Students are entitled, at no additional cost, to a formal Statement of Attainment on withdrawal, cancellation or transfer, prior to completing the qualification, provided the student has paid in full for the course related to the units of competency to be shown on the Statement of Attainment.

On completion of a course credentials will not be issued to students who are in breach of any part of this agreement.

5. Letters of release will not be issued to students who are in breach of any part of this agreement.
6. Student is responsible for keeping a copy of the written agreement as supplied by the Techie International College and receipt of any payments of tuition fees or non-tuition fees.
