However, fees will remain the same once the student is enrolled on a course. Students are advised to contact student administration for updated fees and charges.
- n. If a student's visa status changes (e.g., becomes a temporary or permanent resident), the student will continue to pay full overseas student fees for the duration of the enrolled program.

- q. All 'refunds' will be approved by the Administration Officer and the applications will be processed within 10 working days of the application being placed.

7. Procedures

All students' refunds are conditional on the following:

A. Course Withdrawal

- i. Where a written notice of withdrawal is received by the institute **at least 12 full weeks or more before the agreed start date** of the course or term, the institute will refund 100% of the fee received except the application fee.
- ii. Where the institute receives a written notice of withdrawal within **6 to 11 full weeks before the agreed start date** of the course or term, the institute will refund 50% of the fee received except the application fee.
- iii. Where the institute receives a written notice of withdrawal within **5 full weeks or less before the agreed start date** of the course or term, no refund will be provided.
- iv. Where the institute receives a written notice of withdrawal after the start date of the course or term, no refund will be provided.
- v. Where the student defaults, including withdrawing from a course, after the course/term start date, the student is liable to pay the full tuition fee and there will be no refund of paid tuition fees.
- vi. It should also be noted that if your enrolment falls within no refund timelines before the agreed start date of the course, then there will be no refund.

For example: If a student enrolls in week 5 before the course start date, he/she will not be eligible for a refund as enrolment falls in no refund time of 5 full weeks prior to the agreed start date of the course.

- vii. If the refund application is approved, the Refund will be paid within the period of 4 weeks after receiving written notification/claim from the student and relevant forms duly signed by the student.
- viii. The institute must have received funds for any refunds to be made available (i.e., cheques are cleared, telegraphic transfers have been received).

B. Student Defaults

An overseas student or intending overseas student defaults, in relation to a course at a location, if the student himself/herself initiates termination of enrolment, like:

- a. the course starts at the location on the agreed starting day, but the student does not start the course on that day (and has not previously withdrawn); or
- b. the student withdraws from the course at the location (after the agreed starting day); or
- c. the institute refuses to provide, or continue providing, the course to the student at the location because of one or more of the following:
 - the student failed to pay an amount payable to the institute for the course
 - the student breached a condition of his/her student visa
 - misbehaviour by the student (Note: the student is entitled to natural justice under subsection 47A (3))

Note: If students do not commence studies in a course (i.e., the student does not start the course on that day) or when they are due to commence and have not notified the institute in writing then student's enrolment will be cancelled based on non-commencement of studies within 31 days of the course commencement.

A student does not default for failing to start a course on the agreed starting day if he/she does not start that course because the provider defaults in relation to the course at the institute.

Techie International College will pay a refund to the following person:

- the student
- if a person (other than the student) is specified in this written agreement to receive any refund- the specified person.

TIC will pay a refund within the period of 20 working days after receiving a written claim from the student.

C. Visa Refusal

If a student visa application or visa renewal is refused by the Australian Government prior to course commencement, a refund of course fees will be made, and visa refusal refunds will be calculated in accordance with the legislative instrument under subsection 47E (4).

The calculation under subsection 47E (4) is as follows:

The amount of unspent pre-paid fees that the institute must refund the student for the purpose of

Subsection 47E (2) of the Act is the total amount of the pre-paid fees the provider received for the course in respect of the student less the following amount the lesser of:

- a. 5% of the total amount of pre-paid fees that the provider received in respect of the student for the course before the default day; or
- b. the sum of \$500.

Whichever is lesser.

Students must provide the institute with substantiated evidence of their student visa refusal.

If an international student currently in Australia has their student visa application refused by the Department of Home Affairs (DHA) after the commencement of their studies; a refund will be calculated as follows:

The refund amount = weekly tuition fee x the number of weeks in the default period

- a. The weekly tuition fee = total tuition fee for the course/number of calendar days in the course x seven (7). This amount is rounded up to the nearest whole dollar.
- b. The number of weeks in the default period = number of calendar days from the default day to the end of the period to which the payment relates / seven (7).

No refunds will be granted where:

- a) An international student currently in Australia has their student visa cancelled by the Department of Home Affairs (DHA) for a breach of visa conditions.
- b) The refusal was a reason for one or more of the following acts or omissions by the student that directly or indirectly caused the student to default in relation to the course at the location:
 - (i) The student's failure to start the course at the location on the agreed starting day.
 - (ii) The students' withdrawal from the course at that location.
 - (iii) The student's failure to pay an amount he or she was liable to pay the provider, directly or indirectly, to undertake the course at that location.

As per the ESOS Act 2000 (47D), Refund payments to students following visa refusals will be paid within a 4 weeks' timeframe after receiving a written claim from the student and relevant forms duly signed by the student. Students must provide the institute with substantiated evidence of their student visa refusal.

D. Provider Default

- i. In the unlikely event that the institute is unable to start or deliver the course (known as provider default), the student can choose to accept either:
 - A refund of course fees, which will be issued to the student within 14 days. or
 - be placed on an alternative course with the institute or another provider. If the student chooses this option, they must sign a new written agreement to indicate they have accepted the placement.
- ii. If the student chooses to receive a refund of course fees, the institute will calculate the unspent portion of tuition fees paid to date (i.e., tuition fees the student has paid for, but which has not been delivered by the institute). The refund will be paid within 14 days after the cessation of the course.

- iii. If the institute is unable to provide a refund or place the student in an alternative course, the TPS will provide the a student with options for suitable alternative courses (if any such courses are available), or if this is not possible, the student will be eligible for a refund as calculated by the TPS Director.

Refund Process

- a. The student must apply for a refund using the Refund Application Form (Appendix 1) along with the evidence and supporting documents. Such documents include:
 - a completed Refund application form provided by the institute,
 - a letter from DHA advising of a rejection of the student visa application or a refusal to extend a student visa,
 - Proof of extenuating circumstances of a compassionate nature.
- b. Refunds will be made within 4 weeks of the receipt of the completed refund application form along with full supporting document by the institute.
- c. Students can nominate a person(s), other than the overseas student, who can receive a refund in respect of the overseas student identified in the written agreement, consistent with the ESOS Act 2000.

Payment of Refunds

Refunds will be paid in Australian dollars via bank transfer to the bank account number nominated by the student on the refund application form.

Refund to International banks is made in the Australian currency whereby the student will receive a refund amount equivalent to the Australian Dollar exchange rate on the date of transfer.

Note: Timeline for refund

It is to be noted that refunds will be made available to students differently based on the student's default and provider's default.

In case of Student default: A refund will be paid within the period of 4 weeks after receiving written notification/claim from student and relevant forms duly signed by the student.

In case of Provider's default: Refund will be paid within the period of 14 days after cessation of the course.
